Chicago, Sept. 13.—A telegram was received from Chief of Police Bull of Buffalo, Thursday, asking the Chicago police to arrest a man described as above the medium height, well dressed, dark complexion, and a physician by profession. A man answering this description was arrested a few hours later near Twelfth st. and Ogden ave. He is I. Saylin, of Buffalo, N. Y. Chief O'Neill thinks that the man knows a good deal concerning the assassination of the President, although he protests that he is not an anarchist.

Evidence of the allegations held to implicate him was not vouchsafed, except for the information that this man had been much in Emma Goldman's company during the time she spent in Buffalo and Rochester in the months of July and August.
